## **Donation Request Letter**

Dear Friends of MVCC/Project:

We ask that you please take a few moments to learn about the Maricopa Veterans Care Center Project (5013c) and consider participating by donating 1. Items to fill "Life" Backpacks for the Homeless and Veterans in transition in AZ and CA; 2. Funds to build "Tiny" Homes, for the homeless, Mobile Offices and those transitioning and in need of short-term housing. To serve community members in need we now give "Life Packs" in Arizona and in California (with toiletries, socks, etc.). Secondly, we will use mobile offices to service the homeless and those with PTSD at a cost of \$10-\$20k to build.

The core mission of the Maricopa Veterans Care Center is to change the way the world defines, views and treats Veterans and the Homeless population with Post Traumatic Stress Disorder and other mental disorders so that every citizen can live life to his or her fullest potential.

### **THE NEED**

**Mobile Offices**

The mobile offices will be used to provide: Job Training, Counseling & Therapy via local partners who specialize in these categories. We'd like to build the first one as a Mobile Solar Tiny House/Office. If there are organizations that donate to our 5013c's we can provide documentation. The 2nd Phase is to provide actual housing for Veterans Homeless and in Transition.
